click on the marked icon if you need to add an image.

Drag an image or click browse...

Find an image you want to upload and select it! We only have a **3.0gb space limit** so please make sure your **images are no bigger than 100kb, 650px wide and upload sparingly**!

click on insert into post

Now its in your post, if you click on the image, you can readjust the size (if necessary).

when clicking on the picture icon to edit the image size, go to advanced settings tab and change the width and heigh proportionally!

The width for this blog type should always be 650px!

don't forget to hit update at the bottom!

Make sure you put it in the right category!

Then all that's left is to publish it.

BOOM! You're done, congrats.
